It's 3 AM, I should be asleep
Im freezin my bals off, what does it mean
Why are we here, at this time of night
Or is it morning, is that morning light

It's Black Friday, It's Black Friday

Is it time, are they opening
I want to get inside, my limbs are freezing
Why are we here, at this time of night
Or is it morning, is that morning light

It's Black Friday, It's Black Friday

Were standing out in the cold
Waiting for a discount
Bleeding eyes from frostbite
Look what I found it is a hand
I think it belongs to this guy fred
Have you seen my middle finger?
(I don't think you understand,
I just saved 5 dollars on a worthless band...)

It's Black Friday, It's Black Friday

It's Black Friday, It's Black Friday

Were standing out in the cold

Bleeding eyes from frostbite

I think it belongs to this guy fred
