I'm all alone, I've built myself a spacious home where
no one can bother me
Crafting free, there is no place that I'd rather be
but that's when I found you... Squishy.

Where you from, you don't talk much but you're my
perfect chum
You're small and green and you're bouncing free
There is no place that you'd rather be
but that's when I found you... Squishy.

Coe and Squishy, you are small, and you're green, and
you know everything
Coe and Squishy, every time I leave you come along
with me
Coe and Squishy, you tried to follow me up the ladder
Coe and Squishy, the next thing I know there is a
splatter

Squishy... I found you.. I found you.. I found you..
Yeah...

Coe and Squishy, you are small, and you're green, and
you know everything
Coe and Squishy, every time I leave you come along
with me
Coe and Squishy, you tried to follow me up the ladder
Coe and Squishy, the next thing I know there is a
splatter

Coe and Squishy, you are small, and you're green, and
you know everything
Coe and Squishy, every time I leave you come along
with me
