Hey, everybody. My name is Chase.
A long time ago, I was the manager of this place.
It started to go downhill, I didn't know what to do
Was harder and harder to sell, so I took it out on you.

I'm sorry. So sorry.

I thought we were on track, But the DM's on my back
He said we were doing it wrong, but he knew all along
The economy went downhill, We didn't know what to do
Was harder and harder to sell, so I took it out on you.

Lookout, I'm gonna bite your head off
Watchout, I'm gonna rip a new hole
I'm pissed so better run away
better run away before I, before I catch you.

I'm sorry... x3

The holidays came and they went, the DM saw what we
spent
He said we were doing it wrong, but he knew all along
Our relationship went downhill, I didn't know what to do
Was harder and harder to sell, so I tok it out on you.

Lookout, I'm gonna bite your head off
Watchout, I'm gonna rip a new hole
I'm pissed so better run away
Better run away before I, before I catch you

Lookout, I'm gonna bite your head off
Watchout, I'm gonna rip a new hole
I'm pissed so better run away
Better run away before I, before I catch you

Lookout, I'm gonna bite your head off
Watchout, I'm gonna rip a new hole
I'm pissed so better run away
Better run away before I, before I catch you

Before I catch you... Before I catch you...
