I want to leave my house, and feel safe  
I want to get in my car, and feel safer  
I want to drive down the road, and feel the safest I've  
been lately..

Cuz I don't think you know how much it means to me

Cuz I, don't think, that you know how to drive  
Cuz I, don't think, that you know how to drive... know  
how to drive

Why do you have to come inside my lane  
Are you mental or just insane  
Why are you so close to my behind  
It must be where you want to take it, at night

I want to punch on my gas, and feel powerful  
I want to slam on my brakes, like I am cool  
I want to cut you off, so I can feel better about myself  
cuz I dont think you know how much it means to me

Cuz I, don't think, that you know how to drive  
Cuz I, don't think, that you know how to drive... know  
how to drive

Why do you have to come inside my lane  
Are you mental or just insane  
Why are you so close to my behind  
It must be where you want to take it, at night

Just remember I know what your car looks like  
I'll be on the lookout for you on a rainy night  
Just remember I know what you look like  
Hope that I don't see you cuz I just might...

I want to leave my house, and feel safe  
I want to get in my car, and feel safer  
I want to drive down the road, and feel the safest I've  
been lately..

Cuz I don't think you know how much it means to me

Cuz I, don't think, that you know how to drive

Cuz I, don't think, that you know how to drive... know  
how to drive

Why do you have to come inside my lane  
Are you mental or just insane  
Why are you so close to my behind  
It must be where you want to take it, at night

Just remember I know what your car looks like  
I'll be on the lookout for you on a rainy night  
Just remember I know what you look like  
Hope that I don't see you cuz I just might...

Just remember I know what your car looks like  
I'll be on the lookout for you on a rainy night  
Just remember I know what you look like  
Hope that I don't see you cuz I just might...

Cuz you don't know how to drive.
