The Nether,
it is their home, their only shelter,
their screams and moans are only felt here,
we must survive and stay together...

The portal,
is a door to new dimensions,
it's full of creepy minions,
in the Nether...

(Chorus)
So, you step on through,
and you don't know what to do,
and you find it hard to breath, 'cause the air is thick,
so, you dig through walls,
hearing moans and the calls,
you find it hard to believe...

[Ghasts...] 2x

You see them,
floating far into the distance,
you wonder if they'll see this,

your arrow...

They spot you,
now they're throwing fire at you,
and they're getting kind of close to you,
you can't hide...

(Chorus)
So, you step on through,
and you don't know what to do,
and you find it hard to breath, 'cause the air is thick,
so, you dig through walls,
hearing moans and the calls,
you find it hard to believe...

(Outro) 4x
Ghasts are the only survivors,
the Pigmen are the lucky ones,

they're stuck in purgatory,
and now you're dead and become one.
