You are on mysterious woman
you are the one for me
but I dont know how to say goodbye
when you want to leave
dont know how to say good bye

I want you to say goodbye cuz
I dont think that I could try and
I want you to stay with me and
we'll have good times in harmony

I am on mischievous man
I am the one for you
but I dont know how to say goodbye
when you want to leave
dont know how to say good bye

I want you to say goodbye cuz
I dont think that I could try and
I want you to stay with me and
we'll have good times in harmony

Its been so long of a time
that we have seen each other
we have been so far apart
haven't seen one another
I wonder if you have moved on
are you living the life you wanted
are you still in love with me
cuz i can set you free

I want you to say goodbye cuz
I dont think that I could try and
I want you to say goodbye cuz
I dont think that I could try and

I want you to stay with me and
we'll have good times in harmony
I want you to stay with me and
we'll have good times in harmony
