I see you everyplace I go,
I know you're not the one,
You're one good show,
I know, not the one!
You're hunting me!
I still can't dance,
Neither can't you,
I'm dressed up nice,
You're a dream come true!
I now you're not the one!

Chorus:

You're hunting me,
And everything burns!
And everything burns
Up in the fire skies!
You're hunting me!

New year's night I left you for..
I'm just another kiss that you'll forget,
I know you're not the one!

You're hunting me!
Can't keep up,
I'm losing this game,
A game I could have win but I want it to play,
I know you're not the one!
You're hunting me,

Chorus:

And everything burns!
And everything burns
Up in the fire skies!
And everything burns!
You're hunting, hunting me!

You started it!
And you started it!
And you are hunting me!
You're hunting me!
