It's a little bit hard to understand,
But I only wanna be a modern man,
On the wire, it couldn't be nicer.
Just thinking about the one that got away,
Nobody wanna give my heart away,
You could make your mind up, we could take your time
Up.

It seems you've mistaken me for someone who cares,
I'm just a dirtbag under the weather and overrated.
It seems you've mistaken me for someone who cares,
I'm just a dirtbag under the weather and overrated.

Living underground taking it to the scene,
Making money not knowing what it means,
I'm a liar, set shit on fire.
Take your time talking down to all your friends,

Living with the little dogs and elephants,
It's hard to find it, but I don't mind it.

It seems you've mistaken me for someone who cares,
I'm just a dirtbag under the weather and overrated.
It seems you've mistaken me for someone who cares,
I'm just a dirtbag under the weather and overrated.

Hitching a ride with the bugs and the flies and I'm on
My own.
Hitching a ride with the bugs and the flies and I'm on
My own.
Hitching a ride with the bugs and the flies and I'm on
My own.
Hitching a ride with the bugs and the flies and I'm on
My own.
