Crusader searching still
Sting deathstalker
Desert moon chill

Just to Zig zag our way through the twisted trees
Light a fire for the feast if you please
Seek tomorrow to leave for yester years
I wish we could
It has been good
I wish it could be

Darkening animals, shadow twilight

Melancholia, Desert moon fight

Just to Witness the world from a distant land
Mediate with the clans for a while
Seek tomorrow to leave for yester years
I wish it was
When we were
It won't be

Dance once more time out by the fireflies
I wish it was
When we were
Who we are now
