Sunshine only comes once this fall
Seems conflicting given my cause
Shaman told me long time ago
Live your life full / give what you owe

Isn't it just that way how we have to say hello
Could it be you or me to sit back and laugh for a while

Nightfall on a Budding June
Somehow means I'll be seeing you soon
Right now I'll take you anyway I can
Rain or shine, drinking wine, still feeling time

Isn't it just that way how we have to say goodbye
Could it be you or me to sit here, breakdown and cry
