Time is tight and money's short
River's up and the weatherman
He's calling for another storm
Pressure's on, the margins thin
Gotta figure out a fix for this awful fix I'm in
Oh Mama, what am I gonna do
She said, "Child there's only one thing you can do"
Chorus:
Don't worry 'bout nothing
Let it go, see what tomorrow brings
Don't worry 'bout nothing
Pray about everything
Pray about everything

Love is blind, fate don't care
Lose your grip
And your balloons go sailing off into the air
Oh Mama, what am I gonna do
She said, "Child, there's only one thing you can do"

(Repeat Chorus)

Yeah take a walk, take a breath, oh give it all a rest
Take a cane pole to the fishing hole and catch a couple
fish
And just like that toss'em back and make a little wish

Don't worry 'bout nothing
Let it go, see what tomorrow brings
Don't worry 'bout it stress about it, fret about it
Don't worry 'bout nothing
Let it go, see what tomorrow brings
Don't worry 'bout nothing
Pray about everything
Yeah, pray about everything
