[Part 1] where back were fresh and were here to stay  
so how could you come out and fade away were like  
the ice into water and a still inch shorter and a how bout  
are rap its what im bustin like the light were right over  
easy and white im beging to perform for the ladies in  
light well its the must soul trust never give me a bust  
weil make it or brake it like a rime in the bust through  
the city so quickly so livly and get it the bucher in the  
country make you beg for pity like the groove man tryin  
with the real niga gritit come make sweet love write off  
your

### CHOURES

[Part 2] because n is for the man man e is for the an an  
m is for the ?niner? rpristents south band were the  
thinker man who makin the stand in this cold hardy  
world its hard for man the space come a hackin to  
make it to the second with diffrent types of people  
most amerikan and latin to hit the tree tops with the  
sweet street bob agenst the old rime side so dont dare  
stop with that beat make you whana freak o comon a  
party people cause its so uniqe cause its the beat im to  
prapai the ?barbique? why you studrin why you come  
for love brothers thats true main e desind to pleze to  
make the guy say man why ?the girls come see? cause  
pleze o dont you let i seez cause of you im being true ill  
never tease

### CHOURES LONGER

?well its actuly best? were here to infect with  
compusishun with ambishin all the point of my check i  
was out complicadin as sweet as demonstratin got to  
lazy for my mind ?whos als raising ladys?
