From The Beach soundtrack

Sometimes I feel  
That you're a part of me  
Although it don't seem real  
It's how I want it to be  
But if you can't stay then I'll understand  
You're just sawdust in my empty hand  
If you can't decide  
I'll still be true  
Just open wide  
I'm here for you

And if you think that you've found  
A gentle sound  
Where love breaks down  
It's alright.  
And if you can't overcome  
What get's you down  
Don't get uptight  
It's alright.

I'm a shallow man  
In an hollow land  
On a beaten track under your command  
And the sound  
In my head goes round and round  
Like a drunk on the stairs  
Who just fell down  
But now it seems  
Like a distant dream  
When it all lived wrong  
With our love supreme  
And the sound in my head goes round and round  
Like a drunk on the stairs who just fell down

And if you think that you've found  
A gentle sound  
Where love breaks down  
It's alright.  
And if you can't overcome  
What get's you down

Don't get uptight  
It's alright.
