"Chosen Time"

One day it's now or never
To stay at home
Sometimes the dreams are better
One thing you hold
Believe that all these changes
Keep me alone
What brought the last reaction
I'll never know
I'll never know
I'll never know

Believe me, all I said to you
Believe me, all I did for you

All I did for you
All the times it takes to complain
But live in doubt
Sometimes they keep you waiting
For a look around
I've got a friend in here somewhere
Who can help me out
Believe me, all I said to you
Believe me, all I did for you
All I did for you
