Every time I think of you
I feel shocked right through with the both of you
It's no problem of mine but it's a problem I find
Living a life that I can't leave behind

There's no sense in telling me
The wisdom of the fool won't set you free
But that's the way that it goes and it's what nobody
knows
Well everyday my confusion grows

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say

I feel fine and I feel good
I feel like I never should
Whenever I get this way I just don't know what to say
Why can't we be ourselves like we were yesterday

I'm not sure what this could mean
I don't think sure what you see
I do admit to myself that if I hurt someone else
Then I'll never see just what we're meant to be

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say
