You're much too young  
To be a part of me  
Too young  
To get a hold on me

You're much too young  
You're much too young  
You're much too young  
To mess around with me

Hey, you know I've met a lot of cool chicks  
But I've never met a girl with all her own teeth  
That's why I love you babe, that's why we could be  
But you're too young, too young

The past doesn't matter  
The past doesn't matter  
The past doesn't matter  
The past doesn't matter

The past doesn't matter  
The past doesn't matter  
The past doesn't matter  
The past doesn't matter

The past doesn't matter  
The past doesn't matter  
The past doesn't matter  
The past doesn't matter

Hey, sophisticated lady  
You know I've met a lot of cool chicks  
But you've got style, you've got class  
But most of all, you've got love technique
