My brightest star's my inner light let it guide me  
Experience and innocence bleed inside me  
Hallucinogens can open me or untie me  
I drift in inner space, free of time  
I find a higher state of grace, in my mind  
I'm beautiful

I wasn't born to follow  
I live just for today, don't care about tomorrow  
What i've got in my head you can't buy, steal or borrow  
I believe in live and let live  
I believe you get what you give

I've glimpsed, I have tasted, fantastical places  
My soul's an oasis, higher than the sun

I'm higher than the sun
