It's only one more day

Can you wait my plane will be arriving shortly
Right there at the gate, I pray that you'll be waiting right
there for me

This time could be what we've both been searching for
Our whole lives waking up, I'm coming back for more

Leave your baggage behind
You won't need it tonight
Enjoy your flight

J E T
(J E T)
You are so good for me
(You are so good for me)
You are my jet stream lover
You're how I wanna be
(Just how I wanna be baby)

J E T
(J E T)
You are so good for me
(You are so good for me)
You are my jet stream lover
You're how I wanna be
(Just how I wanna be baby)

We're so high, I'm watching all the clouds drift by
below me
We should try, it's been so long since I made you cry
Long live love, I just can't get enough of you
I need that engines push, it's gonna take me home to
you

J E T
(J E T)
You are so good for me
(You are so good for me)
You are my jet stream lover
You're how I wanna be
(Just how I wanna be baby)

J E T
(J E T)
You are so good for me
(You are so good for me)
You are my jet stream lover
You're how I wanna be
(Just how I wanna be baby)

You were meant to be
(We will be dimming the lights, for this evening's
entertainment, enjoy)
Home with me

J E T
(J E T)
You are so good for me
(You are so good for me)
You are my jet stream lover
You're how I wanna be
(Just how I wanna be baby)

J E T
(J E T)
You are so good for me
(You are so good for me)
You are my jet stream lover
You're how I wanna be
(Just how I wanna be baby)

You are so good for me
(You are so good for me)
You are so good for me
(Just how I wanna be baby)

But you're gone
(But you're gone)
Don't let it go
(Don't let it go)
If you don't try
(If you don't try)
How will you know?
(How will you know?)
