You know it never meant much to me,  
But there's something on your mind that I could see.  
It didn't hurt me too much to find  
You were seeing someone else for all of this time.  
You know that I don't care,  
And I like you to know that I don't care.  
I don't need your sympathy;  
Why don't you ever look at me?  
[Chorus]  
You did nothing for me.  
You did nothing I see.  
You did nothing for me.  
You did nothing.  
There's no today and there's no tomorrow.  
Where you find sadness, I find sorrow.  
Nobody knows, but it always shows,  
I think I'm losing my mind, but that's the way that it  
goes.  
And it's fine, all those lies.  
I can see their truth lies in your eyes.  
So I guess we are through;  
You did to me what I did to you.  
Repeat Chorus  
[La, la, la, etc. omitted]  
I don't need your sympathy,  
'Cause you don't mean that much to me.  
Repeat Chorus, etc.
