One time didn't do it
Two times didn't feel quite right
I didn't know where i was going
I just knew that i would be alright

I woke up in a druken haze
The sun shone to my window?
I said that i'd never do it again
What kind of fool do you think i am?

It happens
It always seems to happen
Morning night and day
I just want some action
Give me satisfaction
Send me to my?
Morning night and day

I had a good time late last night
I didn't think it would ever end
I walked home in a broad day light
Couldn't get a cab at half past five

One drink wouldn't do it
Two drinks are far too much
I didn't know what i was doing

I ate the floor and a pile of dust

It happens
It always seems to happen
Morning night and day
I just want some action
Give me satisfaction
Send me to my?
Morning night and day

So if you think that it won't get you
Well think again friend 'cause it's not true
In my case, it was not my fault
Other people made that call

One time didn't do it
Two times didn't feel quite right

It happens
It always seems to happen
No matter what i say
Morning night and day
I just want some action
Need some satisfaction
Before it gets too late
Send me to my?
Morning night and day
