Putting up my good shoes  
Stepping on the grass  
Waiting for some good news  
It's gonna get here fast

Doing things my own way  
Like I always did  
Saying what they all say  
Feeling like a kid

Take a chance  
Do what you have to do  
Don't look down  
Just look straight ahead of you  
And around  
Get up off on the view  
Don't look down  
Just do what you wanna do

Getting up at midnight  
Just to watch a game  
Climbing up a street light  
Sitting on a claim

I don't even know you  
But I understand  
There's something I could show you  
I'm just another fan

Can't wait for sunrise  
High up in the sky  
Can't wait for tomorrow  
Time's gonna fly

Take a chance  
Do what you have to do  
Don't look down  
Just look straight ahead of you  
And around  
Get up off on the view  
Don't look down

Just do what you wanna do

Do what you wanna do  
Do what you wanna do  
Do what you wanna do  
Do what you wanna do  
Do what you wanna do  
Do what you wanna do  
Do what you wanna do  
Do what you wanna do  
Do what you wanna do

Take a chance  
Do what you have to do  
Don't look down  
Just look straight ahead of you  
And around  
Get up off on the view  
Don't look down  
Just do what you wanna do

Do what you wanna do  
Do what you wanna do  
Do what you wanna do
