A heaven, a gateway, a hope  
Just like a feeling inside, it's no joke  
And though it hurts me to treat you this way  
Betrayed by words, I'd never heard, too hard to say

Up, down, turn around  
Please don't let me hit the ground  
Tonight I think I'll walk alone  
I'll find my soul as I go home

Up, down, turn around  
Please don't let me hit the ground  
Tonight I think I'll walk alone  
I'll find my soul as I go home

Each way I turn, I know I'll always try  
To break this circle that's been placed around me  
From time to time, I find I've lost some need  
That was urgent to myself, I do believe

Up, down, turn around  
Please don't let me hit the ground  
Tonight I think I'll walk alone  
I'll find my soul as I go home

Up, down, turn around  
Please don't let me hit the ground  
Tonight I think I'll walk alone

I'll find my soul as I go home

Oh, you've got green eyes  
Oh, you've got blue eyes  
Oh, you've got gray eyes

Oh, you've got green eyes  
Oh, you've got blue eyes  
Oh, you've got gray eyes

And I've never seen anyone  
Quite like you before  
No, I've never met anyone

Quite like you before

Bolts from above hit the people down below  
People in this world, we have no place to go  
Bolts from above hit the people down below  
People in this world, we have no place to go

Bolts from above hit the people down below  
People in this world, we have no place to go  
Bolts from above hit the people down below  
People in this world, we have no place to go

Oh, it's the last time, oh, it's the last time  
Oh, it's the last time, oh, it's the last time  
Oh, it's the last time

Oh, I've never met anyone  
Quite like you before  
Oh no, I've never met anyone  
Quite like you before
