Who saw those dark eyes  
Who saw those dark eyes  
These years gone by  
Deep within  
Burn my skin  
All those years gone by  
In the heat of the night  
All those years gone by

Who felt those cold hands  
Who felt those cold hands  
Touch my skin  
Deep within  
Burn my soul  
Fell to the ground

Where I was found  
All those years ago  
All those tears ago  
All those years ago

Everybody makes mistakes  
Everybody makes mistakes  
Even me  
Just be free  
This is a place  
Where in the end  
It happens in  
Our world within

Time to go  
Time to go
