ENGLAND NEW ORDER - 'WORLD IN MOTION'

=====

Express yourself  
Create the space  
You know you can win  
Don't give up the chase  
Beat the man  
Take him on  
You never give up  
Its one on one  
Express yourself  
Its one on one  
Express yourself  
Its one on one  
Express yourself  
You can't be wrong  
When somethings good  
Its never gone  
Loves got the world in motion  
And I know what we can do  
Loves got the world in motion  
And I can't believe it's true  
Now is the time  
Let everyone see  
You never give up  
That's how it should be  
Don't get caught  
Make your own play  
Express yourself  
Don't give it away  
Express yourself  
Its one on one  
Express yourself  
Its one on one  
Express yourself  
You can't be wrong  
When somethings good  
Its never wrong  
Loves got the world in motion  
And I know what we can do  
Loves got the world in motion  
And I can't believe it's true

Loves got the world in motion  
And I know what we can do  
Loves got the world in motion  
And I can't believe it's true  
You've got to hold and give  
But do it at the right time  
You can be slow or fast  
But you must get to the line  
They'll always hit you and hurt you  
Defend and attack  
There's only one way to beat them  
Get round the back  
Catch me if you can  
Cos' I'm the England man  
And what you're looking at  
Is the master plan  
We ain't no hooligans  
This ain't a football song  
Three lions on my chest  
I know we can't go wrong  
We're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci it's one one one  
We're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci it's one one one  
We're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci it's one one one  
We're playing for England {In-ger-land}  
We're playing the song  
We're singing for England {In-ger-land}  
Arrivederci it's one one one
