I watched as you
Walk by me holding his hand
And I try so hard
With all that I could just to understand

What you see in him and not in me
It will always be a mystery
I wanna go on but it would be wrong
To start moving on without you

So you keep me waiting, waiting
Waiting for you to fall out of love
You keep me waiting, waiting
Waiting for you, waiting for you
To fall out of love, out of love, out of love

And now his gone
He said goodbye, he walked away
And you can see
That I was the one but it's too late

For you and me, we just can't be
That one of us is history
So you should move on coz I'm already gone
I had to go on without you

Coz you left me waiting, waiting
Waiting for you to fall out of love
You keep me waiting, waiting
Waiting for you, waiting for you to fall out love
Out of love, out of love

Don't wanna talk about it,
You can't get mad about it
Coz I was all about you girl
(4x)

But you left me waiting, waiting
Waiting for you to fall out of love
You left me waiting, waiting
Waiting for you, waiting for you

Left me waiting, waiting
Waiting for you to fall out of love
You left me waiting, waiting
Waiting for you, waiting for you

To fall out of love
Out of love, out love(3x)
To fall out love

Don't wanna talk about it,
You can't get mad about it
Coz I was all about you girl
