Get your bells out boys...hahaha hahahahaha!

I'm getting decked out
My man just checked out
I'm gonna throw away his bow tie
ohhhh
Took off this jewelry
Put it on the christmas tree
And now I'm feeling fabuloso

And it feels so right
Without him on christmas night
I'm singing
Single bells single bells single all the way
Not gonna cry today
Knock a disco ball on the christmas tree
Raise my glass
Shake my ass
Finally I'm free

Turn up the music
And let my girls in
We're gonna dance until the morning
ohhhh whoahhh
Go out and get drunk
And get our flirt on
I think I got just what I wanted
I got a brand new life
Starting this christmas night
We're singing
Single bells single bells single all the way
Not gonna cry today
Knock oh disco ball on the christmas tree
Raise my glass
Shake my ass
Finally I'm free yeah yeah yeah yeah

ooooooooohhhoooooooo
auhhhh
I'm dripping in glitter like an ornament
I think that this is what my mamma meant
She said your heart isn't a christmas present

I know I'll never give mine away agaaaaaaiiiiiinnnnnn
(single bells single bells single all the way
not gonna cry today)
Knock oh disco ball on the christmas tree
Raise my glass
Shake my ass
This one is for christmas tiiiiimmmmmeeee
Single bells single bells single all the way
Not gonna cry today
Knock oh disco ball on the christmas tree
Raise my glass
Shake my ass
Finally I'm free
Whoahhh whoahh whoahh whoahh ohhhh ohh yeah oh
yeah
Said finally I'm free yeah
Oh girls
Take off that jewelry put it on the christmas tree
Siad bye bye babay
