Verse 1

thought I had myself back once you were gone
but when i see you smile deep inside I know
I'm just not over you

Chorus

never planned to see you here in my zone
thought I had myself back once you were gone
but when I see you smile deep inside I know
I'm just not over you
(I'm just not over you)

Verse 3

my first true love and my greatest pain

thought i had you out my life
now you're walking back in

girl you know that just aint right
cause i

Chorus

never planned to see you here in my zone
thought i had myself back once you were gone
but when i see you smile deep inside i know
I'm just not over you

I'm just not over you
