Woahoooo eh eh

Lets go lets go lets go lets go lets go

Verse 1:

remember when we said forever always and more
such a long time ago we're so different than before
i guess this is my way
of finally letting go
we were so pure in the beginning babe, corrupted by
the ways of the world
that's when

Chorus:

you wrote goodbye on a white wall with scarlet
fingertips
ohh ohh
that's when i left
now i'm sitting here in a white room with a bleeding
love unstitched
ohhhh
finally letting go

Verse 2:

me and you we can never be anything that we were
before
unforgettable memories and from our time we both
have learned
it's a system of the down girl
just waiting for the crash and burn
too young to look so far ahead should have took it one
day at a time
that's when

Chorus:

you wrote goodbye on a white wall with scarlet
fingertips
ohh ohh

that's when i left
now i'm sitting here in a white room with a bleeding
love unstitched
ohhhh
finally letting go

no more rain outside
gunna find love again
(gunna find love again)
ohhhhhhhh ohhhh ohhhh
no more clouds over my head
i'm gunna find a better bond
my baby ohhh ohhh ohhhh

Chorus:

you wrote goodbye on a white wall with scarlet
fingertips
ohh ohh
that's when i left
now i'm sitting here in white room with a bleeding love
unstitched
ohhh
finally letting go

you wrote goodbye on a white wall with scarlet
fingertips
ohh ohh
that's when i left
now i'm sitting here in white room with a bleeding love
unstitched
ohhh
finally letting go

scarlet fingertips
letting go letting go letting go
