Deny, you're such a liar
Won't know the truth it hit you in the eye
Deny, you're such a liar
Selling you no no all the time

And you said we were going out to the hundred club
Then you said it ain't my scene
Then you turned up alone
Then you turned up alone

Deny, you're such a liar
Won't know the truth if you're in the street
Deny, you're such a liar
You're selling you no no all the time

Then said you'd given it up
Gone and kicked it in the head
You said you ain't had none for weeks
Baby I seen your arms, baby I seen your arms

Deny, you're such a liar
Won't know the truth hit you in the eye
Deny, you're such a liar
Selling you no no all the time

Do you think I'm a raving idiot?
Just got off the boat
Step in live, sign this form
Baby I ain't got a heart
You ain't got a hope

Deny you're such a liar
Deny, lies, lies, lies, lies, lies, lies, lies
Let's here it for truth
You know like in the twelve P comic
In a room filled with scream a with ice cream

Boy meets girl
Then probably gets run over
Oh, everybody cried
But I don't know why

I'm a fool, I can't control
I've read a one to many books
I believe everything I read
What they've written in the Slutsville paper
Deny, you're such a lie
