Yes, I am the dictator  
The more guns I got, the better  
Yes, I am the liquidator  
I carry that old biretta

You know there once was freedom  
And you know how dangerous that can be  
The people used to dance and sing  
They used to run wild in the streets

But now I am the voice, howling from your radio  
From my amour plated Cadillac  
You'll hear what I say goes  
You'll hear what I say goes

Yes, I am the dictator  
I satisfy the U.S. team  
Because I always do my killing in the woods  
And I keep the city gutter clean

You know there once was freedom  
You know how dangerous that can be  
And all the people used to dance and sing  
And they used to run wild in the streets

Because I am the voice, howling from your radio  
From my amour plated Cadillac  
You'll hear what I say goes  
What I, what I say goes, what I say goes

Yes, I am the crusader  
'Cause I'm twenty long years in exile  
But but but but but now I am the invader  
And I'm never never gonna die

Yes, I am the dictator  
My name is on your ballot sheet  
Until my box has got your, your cross  
You know this form is incomplete

You know there once was freedom  
You know how dangerous that can be

The people used to dance and sing  
And they used to run wild in the streets

But now I am the voice, howling from your radio  
From my amour plated Cadillac  
You'll hear what I say goes  
You'll hear what I say goes
