When Johnny comes marching home again, hurrah,  
tala  
He's coming by bus or underground, hurrah, tala  
A woman's eye will shed a tear  
To see his face so beaten in fear  
And it was just 'round the corner in the English Civil  
War

It was still at the stage of clubs and fists, hurrah, tala  
When that well know face got beaten to bits, hurrah,  
tala  
You face was blue in the light of the screen  
As watched the speech of an animal scream  
The new party army was marching right over our heads

All right

There you are, ha, ha, I told you so, hurrah, tala  
Says everybody that we know, hurrah, tala  
But who hid a radio under the stairs?  
Who got caught out unawares?  
When that new party army came marching right up the  
stairs

When Johnny comes marching home again, hurrah,  
tala  
Nobody understands it can happen again, hurrah, tala  
The sun is shining and the kids are shouting loud  
But you gotta know it's shining thought a crack in the  
cloud  
And the shadow keeps falling, when Johnny comes  
marching home

Hurrah, Johnny  
Oh yeah, Johnny  
[Incomprehensible]  
[Incomprehensible]  
When Johnny coming home
