Every little bit hurts  
Every little bit hurts  
Every night I cry  
Every night I sigh  
Every night I wonder why  
You treat me cold  
But I can't let you go

Every little hurt counts  
Every little hurt counts  
Say you're coming home  
But you never phone  
Leave me all alone  
My love is strong for you  
I do long for you

I can't take this loneliness  
You've given me  
I can't go on  
Giving my life away

Come back to me  
Darling, you'll see  
I can give you all the things  
That you wanted before if you stay

Every little bit hurts  
Every little bit hurts  
Every night I cry  
Every night I sigh  
Every night I wonder why  
You hurt me  
Desert me

I can't take this loneliness  
You've given me  
I can't go on  
Giving my life away

Come back to me  
Darling, you'll see  
I can give you all the things

That you wanted before if you stay

Every little bit hurts  
Every little bit hurts  
Every night I cry  
Every night I sigh  
Every night I wonder why  
You cheated  
But I can't let you go

Every little bit hurts  
Every little bit
