Back in the garage with my bullshit detector  
Carbon Monoxide makin' sure it's effective  
People ringin' up makin' offers for my life  
But I just wanna stay in the garage all night  
(Wanna stay)

We're a garage band  
(Aah)  
We come from garageland  
(Aah, aah)

Meanwhile things are hottin' up in the West End alright  
Contracts in the offices, groups in the night  
My bummin' slummin' friends have all got new boots  
Someone just asked me if the group would wear suits

We're a garage band  
(Aah)  
We come from garageland  
(Aah, aah)

I don't wanna hear about what the rich are doing?  
I don't wanna go to where, where the rich are going?  
They think they're so clever, they think they're so right  
But the truth is only known by Guttersnipes

We're a garage band  
(Aah)  
We come from garageland  
(Aah, aah)

Twenty two singers  
One microphone  
Back in the garage  
Five guitar players  
One guitar  
Back in the garage  
Complaints, complaints  
What an old bag?  
Back in the garage

Back in the garage

Back in the garage
