They cried the tears, they shed the fears  
Up and down the land  
They stole guitars or used guitars  
So the tape would understand

Without even the slightest hope  
Of a thousand sales  
Just as if, as if there was  
Hitsville in U.K

I know the boy was all alone  
Till the Hitsville hit U.K

Remember they say true talent  
Will always emerge in time  
When lightening hits small wonder  
It's fast rough factory time

No expense accounts or lunch discounts  
Or hyping up the charts  
The band went in and knocked 'em dead  
In two minutes fifty nine

I know the boy was all alone  
Till the Hitsville hit U.K, so hit it

No slimy deals with smarmy eels  
In Hitsville U.K  
Let's shake and say, we'll operate  
In Hitsville U.K

I know the boy was all alone  
Till the Hitsville hit U.K

The mutants, creeps and muscle men  
Are shaking like a leaf  
It blows a hole in the radio  
When it hasn't sounded good all week

A mike an' boom in your living room  
In Hitsville U.K  
No consumer trials, no I.O.R

In Hitsville U.K

I know the boy felt all alone  
Till the Hitsville hit U.K

Now the boys and girls are not alone  
Now that Hitsville hit U.K  
I know the boys and girls are not alone  
Now that Hitsville hit U.K

I know the boys and girls are not alone  
Now that Hitsville hit U.K  
I know the boys and girls are not alone  
Now that Hitsville hit U.K
