Has anybody got a cigarette  
Haven't you declared a disaster zone  
Ho! Your car is a total wreck  
And I just can't go back home

My girl, if she had the dope  
We'd get the messieurs on the phone  
I still got to get up and go home  
Don't start driving on my headstone

Go  
Life is wild, life is free  
Make him want to stop, gonna fall on me  
Life is wild, life is free  
Make him want to stop, gonna fall on me

Here's to all of my kindred souls  
He got a life but ain't got no style  
Well heard that your story goes  
You nearly broke down after half a mile

Hey, that is the way it goes  
You better keep a note on file  
You'll have to reap what I suppose  
Gets you a floor and a to the wild

Life is wild, life is free  
Make him want to stop, gonna fall on me  
Life is wild, life is free  
Make him want to stop, gonna fall on me

Somebody got a cigarettes  
A guitar or a blank cassette?  
Hey! The last thing he'd expect in his bar  
I'm gonna chart the rise of my star

Life is wild, life is free  
Make him want to stop, gonna fall on me  
Life is wild, life is free  
Make him want to stop, gonna fall on me

Life is wild, life is free

Make him want to stop, gonna fall on me  
Life is wild, life is free  
Make him want to stop, gonna fall on me
