

Alejandro Escovedo "Always a Friend"

Visit "[Always a Friend](#)" on [MotoLyrics.com](#)

Wasn't I always a friend to you?
Wasn't I always a friend to you?
Do you wanna be my friend?
Do you wanna be my friend?

Every once in a while honey let your love show
Every once in a while honey let yourself go
Nobody gets hurt no, nah
Nobody gets hurt

We came here as two, we laid down as one
I don't care if I'm not your only one
What I see in you, you see in me

But if I do you wrong smoke my smoke, drink my wine
Bury my snake skin boots somewhere I'll never find
Still be your lover baby, oh oh, oh oh, oh oh

Wasn't I always a friend to you?
Wasn't I always a friend to you?
Do you wanna be my friend?
Do you wanna be my friend?

Every once in a while honey let yourself go
Every once in a while honey let your love show
Nobody gets hurt no, no
Nobody gets hurt

Well, I could be an astronaut on the wrong side of the
moon
Or wrapped up like a baby on a bus under you
Wherever I go you go with me

But if I do you wrong, take the master suite, I'll take the
floor
Sleep in late, get your rest, I'll catch up on mine
Still be your lover, baby, oh oh, oh oh, oh oh

Wasn't I always a friend to you?
Wasn't I always a friend to you?
Every once in a while honey let your love show
Every once in a while honey let yourself go, yeah

Nobody gets hurt, it's only love, love, love
Oh oh, oh oh, oh oh
