i feel/ i feel like i am fallin/
and it feels/ it feels like its ok/
everythings so strange/
my body doesnt feel the same/
its all i want/ is to fall apart with you/

i first met you/ i first met you outside of phoenix/
it was a foolish/ a foolish august moon/
she said her first love was her last/
so she cries when she hears jonny cash/
its all she wants/ is to fall apart with me/

all i want/ is to fall apart with you/
all i want/ is to fall apart with you/

we aint nothin/ we aint nothin/
but we are somethin/
and theres no one/ could ever make us feel so bad/
we know that nothin ever lasts/
so we cry when we hear jonny cash/
its all i want/ is to fall apart with you/

all i want/ is to fall apart with you/ X4
