

## Alejandro Escovedo "Man Of The World"

Visit "[Man Of The World](#)" on MotoLyrics.com

I buried my heart, I was born again  
In seventeen lives and one not a sin  
oh yeah, oh yeah  
I'm a Man of the World  
It ain't no thing, I could take a punch  
I could take a swing  
oh yeah, oh yeah  
You know I'm frustrated,  
hot, overrated  
I feel life dissipatin'  
oh yeah, oh yeah  
Oh yeah, Oh yeah  
I've been parted out, tool & dyed  
Duct taped together for one last ride  
oh yeah, oh yeah  
I wanna hold you but you're on the run  
I'd love to chase ya, but I'm not that dumb  
oh yeah, oh yeah  
You know I'm frustrated,  
hot, overrated  
I feel life dissipatin'  
oh yeah, oh yeah  
Oh yeah, Oh yeah  
Been jumpin' ahead, I'm falling behind  
Not waitin' on nobody, I don't need a sign  
oh yeah, oh yeah  
Gotta twitch in my eye, a bump in my step  
I'd get up from the table, but I'm not done yet, NO  
oh yeah, oh yeah  
2x You know I'm frustrated,  
hot, overrated  
I feel life dissipatin'  
oh yeah, oh yeah  
Oh yeah, Oh yeah  
Oh yeah, Oh yeah
