We fought in Paris, fought in Rome  
Beneath the lights of the Astrodome  
Baby, didn't we now

Drank to peace, to ourselves  
Poured the poison, drank a toast to health  
Baby, didn't we now

Sailed the island in a fishing boat  
Share our secrets and we held them close  
Baby, yeah you know we did

Pledged our hearts, drank the tears  
Stood up to every monster there  
Baby, yeah you know we did

Sing a song for the undesired  
Send this out to the lonely lovers  
Sing a song for the undesired  
For all young lovers who walk beside her  
It ain't easy

Broke the needle, the microphone  
Betrayed our love  
A million miles from home  
Baby, didn't we know

Sing a song for the undesired  
Send this out to the lonely lovers  
Sing a song for the undesired  
For all young lovers who walk beside her  
It ain't easy  
It ain't easy, no it ain't easy  
It ain't easy  
It ain't easy  
It ain't easy
