Hey yo, what up man?  
How much it cost 2 get in this motherfucker?  
What the... U people can't come in here  
What U talkin' about man?  
This is not the place 4 U  
Shit, all I wanna do is use your telephone (Turn all that  
fucking shit off)  
(Hey, hold on U, U just... hell, U just go now! Let go of  
me!)  
Why U white motherfuckin' peckerwood, U redneck  
son-of-bitch!  
(That fucking nigga - get out!)  
I'll kick your motherfuckin' ass! (Hold back!)

Here we go

If U ain't got no money, U can't taste mine  
Man, he got 2 be crazy

Yo, what's this motherfucker talkin about G?  
Yo Tone, I don't know  
Cold grab the mic and just wreck some shit!

(Come on y'all) {sample repeats in song}

U got a black motherfucker in the house on the 1 and 2  
Some who don't like the language, I say "Yo, fuck U!"  
'cause this a record and I'm irate  
And as a matter of fact, let's set the motherfuckin'  
record straight  
Some of U can't stand the way I bring it  
And can't stand the way a black motherfucker swings it  
Check this out G  
If U never stereotyped it, the stereotype would never  
be, ho!

But 4 now, U got some black motherfuckers in the  
house  
(What up, loc?) (Oh my God!)  
Yeah, U got some black motherfuckers in the house  
(What up, loc?) (Oh my God!)

Don't U hate it when a jig is in the house? (Yep)  
He ain't been in the club 5 minutes  
'Fore 6 or 7 cuss words flyin' out his mouth (Fuck U)  
Hand all on his erection  
Makin' rude gestures in your girl's direction  
Don't U hate it when they get up and dance?  
U don't watch Soul Train, U ain't got a chance  
What the hell they got 2 come here 4? (Hell, I don't  
know Cliff)

Next time we need a big white sign at the door that  
says  
"No black motherfuckers in the house" (Yep, that'll do  
it)  
Get the hell out of here  
No black motherfuckers in the house  
(Common ho) (Oh my God!)

Yeehaw!  
Best place 4 a coon's in the tree (Yep, get a rope)  
Yeah

I don't know Charlotte, that big one's kinda cute (Black,  
black)  
Why he could stir my lemonade any day  
(Black motherfuckers in the house)

Ah, here he comes again

Now I'm hyped and I'm vexed, streamin' 2 set it off  
It's time we saw U with the N.P.G., the refs get off  
I mean we come off, I believe it's 'cause of the shit we  
tossed  
I'm thinkin' about the redneck motherfucker who thinks  
he's the boss  
Who's the dudes that let loose the vibe?  
Yo, and labeled me just another chicken-eatin' nigga in  
the tribe  
4 a man with no tribe is a man with no family  
Dumb motherfucker, understand me?

What did U say? Billy Bob, go get my pistol (Mm-hmm)  
U got some black motherfuckers in the house  
(What up, loc?) (Oh my God!)  
I'll cut your ass  
Yeah, U got some black motherfuckers in the house  
(Get up, loc) (Oh my God!)

{repeat phrase 3 times}  
Black, black {x3}  
Black motherfuckers in the house

Hey, let go of my arm  
Nigga, what's wrong with U?  
Uh oh  
Where U taking me?  
Shut up  
Ooh, is that your car?  
U know it

Cliff, U gotta do something  
Damn, this shit is boring  
Why don't U boots do a solo or something? U...  
Hey boy, U gonna play the piano or just bang on it?  
(Black, black, black motherfuckers in the house)  
About time, hell  
(Black, black, black motherfuckers in the house)  
Cliff, that boy on that piano kinda good  
He's alright, it's that big one I got a problem with  
Billy Bob, get my pistol, shit  
And he got a real pretty mouth  
Now watch

Yo, U got the black motherfuckers in the house (What  
up, loc?)  
See, that's what I'm talkin about, he...  
He oughta keep his place (He oughta keep his place)  
Sho'nuff some black motherfuckers in the house (What  
up, loc?)

Alright, where is he?  
Floyd, what in the sam hill did happen 2 U?  
[Cut them niggaz in a ... ] (I kinda like that part)  
Ha, ha, ha

Can I tell U one thing I do not like?  
Give a fuck what U like! (I'll do him, Cliff)  
I do not... boy, don't U holler at me, I hate that  
Casey trippin', boy in the house  
Hey  
I don't like my...  
Come here boy  
I don't like crackers in my soup  
Don't U know I will cut your ass 3 ways: long, deep and  
constantly!

Stop racism now!
