Say baby, this soup tastes kinda funny
I don't know
My skin's crawling
It feels strange
Is this the same soup as usual?
Mmm, I don't know
It feels strange

CHORUS:

Hallucination rain, hallucination rain
Find another vein, hallucination rain

I think this is gonna be the big one
This one's gonna last 5 minutes or more
This is gonna be the real one
One that's gonna make U look 4 the key 2 the door
That leads 2 the alley where we did the last one
This is gonna be fun {x4}
CHORUS

This is gonna be the good one
The one that makes all the books
This is gonna be the only chance we get 2 redeem
ourselves
I'll confess if U do, but here's the hook
Are U ready? {x5}

Pain, pain - sweet laceration
Pain, pain - hallucination rain
Pain, pain - sweet laceration
Pain, pain - hallucination rain

Hallucination rain {x4}
