I wanna make love with you
It means
I wanna S.E.X. with you

< hiromi >
Come here baby, notice me
Don't think I'm not into you, I'm just shy
Do you want to
Squish my romantic heart? (grab my heart)

Feel free to come into my world
You just pretend to refuse the free entertainment
Lick the dripping honey
More, even more excited

Here we are, playfully meeting, gazing into each
other's eyes
Get fascinated more & more
You and me melting together
Yeah, That's right oh baby
(Make me say) Ooh, uh uh, Ooh ooh ooh uh uh
(Make me say) Ooh, uh uh, Ooh ooh ooh uh uh
(Make me say) Ooh, uh uh, Ooh ooh ooh uh uh
(Make me say) Ooh, uh uh, Ooh ooh ooh uh uh yea!

< Hinouchi Emi >
Take it easy boy
I want to call the shots from here, don't be rush
Heart of a wolf
It seems like you don't see me (you don't know)
Slowly fighting the urge
Always inside me, put on the brake
It's a lot to bear sometimes
More, even more excited

Repeat

Oh you are sexy boy
Right now I wanna ride with you!!
But I won't give in that easily until my heart is satisfied
This isn't some kind of sweet talk

Repeat

I wanna make love with you
It means
I wanna S.E.X with you
