Keep Them Kisses Comin'Â'  
(Dallas Davidson, Ben Hayslip)

You got your hair down  
You got that look in your eye  
That says come here and get me boy  
Lay me down and love me just right, yeah  
Ain'Â't goin no where  
I got a bottle of wine  
I got nothin'Â' but time on my hands  
And I'Â'm gonna be your man tonight, ah yes I am

Chorus: I can'Â't imagine doin'Â' nothin but what I'Â'm  
doin  
Just layin'Â' round tangled up with you  
We got our buzz on sippin'Â' on a little something  
I need your lovin'Â'  
Just keep them kisses comin'Â'

It'Â's been a long week  
I'Â've been missin'Â' me some you  
All I wanna do is get your lips on mine  
Girl if you only knew, hey

Chorus: I can'Â't imagine doin'Â' nothin but what I'Â'm  
doin  
Just layin'Â' round tangled up with you  
We got our buzz on sippin'Â' on a little something  
I need your lovin'Â'  
Just keep them kisses comin'Â'  
Yeah keep 'em comin'Â' all night

Don'Â't stop killin'Â' me baby  
Don'Â't stop drivin'Â' me crazy  
I swear there'Â's honey on your lips  
Baby give me one more long slow kiss

Chorus: I can'Â't imagine doin'Â' nothin but what I'Â'm  
doin  
Just layin'Â' round tangled up with you  
We got our buzz on sippin'Â' on a little something  
I need your lovin'Â'

Just keep them kisses comin'Â'  
Oh keep 'em comin'Â' all night, hey
