Hes always around at all the wrong times
Hes a businessman got his nose in mine
Lays down the law and says what he feels
Threatenin and a gettin all up in my grill

That mans got eyes all over this town
Got us under surveillance when I take her out
She aint just his daughter shes his only one
Sure makes it hard to get away from

[Chorus:]

My babys daddy
Aint no kind of crazy like my babys daddy
Aint nobody hates me like my babys daddy, yeah
Id a married that girl a few months back
If I knew I didnt have to ask my babys daddy

Im just an ex VP of the FFA
And that SOB is like the CIA
I go from workin on the tractor and the irrigation
To a date night livin room interrogation

Its hard to get further than a kiss goodnight
When hes tappin on my window pointin at the time
Old sucker rooster blockin my fun
I think hed rather her be a nun

[Chorus:]

My babys daddy
Aint no kind of crazy like my babys daddy
Aint nobody hates me like my babys daddy, yeah
Id a married that girl a few months back
If I knew I didnt have to ask my babys daddy

Couldve had the honeymoon and done been back
If Id a just bucked up and asked

[Chorus:]

My babys daddy
Bout to have me a little talk with my baby's daddy
Gonna have him a son in law

Gonna marry that girl like it or not
That's if I don't get shot oh
By baby's daddy
Can't nobody save me from my baby's daddy
Ain't nobody crazy like my baby's daddy, yeah

Crazy SOB, but I love him
