To be free
Like the birds and the bees, yeah
To be free, sister free, sister free
Like the wind in the trees
You gotta fly if you wanna survive
Don't eat shit if you wanna stay fit

Free yeah
Like the birds and the bees, well
Free
You gotta stay free, free, free

You gotta burn, ooh, sister you gotta learn, yeah
You gotta lie, cheat and lie
Cheat and lie if you wanna survive, whoo
Don't get high if you don't wanna fry
Yeah free, whoo, like Dusty and me
I gotta tell you what it's all about

Free yeah
Like the birds and the bees, well
Free yeah
You gotta stay free, free, freedom
Yeah, freedom
Well, free, freedom
Free
Like the birds and the bees

You gotta fly sister, you gotta fly sister
If you wanna survive
Gotta be free like sweet H and me

Free, yeah
Free
Come on
Come on
Come on
Come on
Get ya
Come on
Come on
Come on

Get it
Come on
Come on
Come on
Come on
Come on
Come on
Come on
Be free
