Well alright

Earth mother for you  
I see the world all drippin' red, that's right  
Earth mother for you  
I see the world all drippin' red, whoa  
State of confusion  
Exists only in your head, whoa whoa, yea

Earth mother for you, yea  
Earth mother for you, yea  
Earth mother for you, whoo

Earth mother for you, yea  
Earth mother for you, yea  
Earth mother for you

Yea baby baby  
Now it's time for justice  
In the scene of discontent, oww baby  
A time for justice, that's justice  
In the scene of discontent, yea  
State of confusion exists only in your head

Earth mother for you, yea
