Let me put my hands on you  
Let me put my hands on you

If your body's feelin' bad  
And it's the only one you have  
You want to take away the pain  
Go out walkin' in the rain

You watch the flowers go to bed  
Ask the man inside your head  
Your spirit never has to grieve  
All ya got to do's believe

The faith healer  
The faith healer

All ya got to do is feel  
Your body's going to start to heal  
The fingertips of holy fire  
Everlasting sweet desire

No matter what the doctor say  
The healer man will heal away  
Ever charity for two  
The miracles, can come to you

The faith healer  
The faith healer

Let me put my hands on you  
Let me put my hands on you

Let me put my hands on you  
Let me put my hands on you

The faith healer  
The faith healer

Faith and hope and charity is  
It's simple relativity  
He can make you understand  
All you've got to do is take his hand

Never be what somebody said  
Ask the man inside your head  
The fingertips of holy fire  
Everlasting sweet desire

The faith healer  
The faith healer

Let me put my hands on you  
Let me put my hands on you

I just wanna put my hands on you  
Let me put my hands on you

The faith healer  
The faith healer

The faith healer  
The faith healer
