C'mon now  
Wanna dig the scene?

Love, obviously, very soon, everybody  
Love, obviously, very soon, everybody

Ohh, why don't you love that sweet time?  
Ohh, why don't you love that sweet time?

I spent a long time in this road  
I spent a long time in this town  
I spent a long time in the road  
I spent a long time in this town

Gonna drive away in a big fast car  
Gonna drive away, won't get too far  
Gonna drive away, don't know how far  
Gonna drive away in a big fast car

Love, obviously, very soon, everybody  
Love, obviously, very soon, everybody

Ohh, why don't you love that sweet time?  
Ohh, why don't you love that sweet time?

C'mon now

Spent a long time in your hole  
I spent a long time in the wrong hole  
I spent a long time in this town  
I spent a long time in my town

Gonna drive away in a big fast car  
Gonna drive away, won't get too far  
Gonna drive away, won't get too far  
Gonna drive away, don't know how far

How far, oh yeah, in this town  
In my town, in my town, that's just my fee

Love, love, love  
I've been lookin' for the grand conditions in her heart

Love, love  
Little bit of love, don't you require?  
Little bit of love, don't you require?  
Love, love, love
