I float through day and night life, well most of the time  
Till I hung up my blues on a nail in your wall  
It rained flowers when the music began  
Love all around when the music is loud

Every day, nirvana  
Always this way, yeah, yeah, yeah  
I wish that every day, nirvana  
Always this way

I'm not looking for girls or cheap thrills and pills  
Or happy to sit on your merry-go-round, no, no  
I don't think there's an easy way out of here  
But when the music is loud, we all get down

Every day, nirvana  
Always this way, always this way, yeah  
I wish that every day was like nirvana  
Always this way

Take it here, now  
Run this through your head

Oh, every day, nirvana  
Always this way, yeah, yeah, yeah  
I wish that every, like the sun, nirvana  
Always this way, oh yeah, yeah

Every day, nirvana  
Always this way, yeah, yeah, yeah, yeah  
Every, like the sun, nirvana  
Always this way, oh yeah

Every day, nirvana  
Always this way, oh yeah, yeah  
I wish that every, like the sun, nirvana  
Always this way  
Nirvana
