You are the sun, I am the flame  
You are the blood, I am the same  
We are the love that rises again  
They are the snake that bites on your veins

We are not chained to the wheel

You are the tear, I have no fear  
You are so strange, I feel the same  
Sorcerous mind, we ride again

We are not chained to the wheel, to the wheel

It's the way that you feel  
It's the truth in your eye  
You got wings upon your back and you can fly

It's the way that you feel  
It's the truth in your eye  
'Cause you're up against the world and still you rise  
And still you rise

You are alive and high in my dreams  
You are the stars that mystify me  
And you are the wolf that frightens the thief  
And you are the voice that they disbelieve

We are not chained to the wheel

And you are the spark that sets us all free

We are not chained to the wheel, to the wheel

It's the way that you feel  
It's the truth in your eye  
You got wings upon your back and you can fly

It's the way that you feel  
It's the truth in your eye  
'Cause you're up against the world and still you rise  
And still you rise

Whoa, baby

It's the way that you feel  
It's the truth in your eye  
You got wings upon your back and you can fly

It's the way that you feel  
It's the truth in your eye  
'Cause you're up against the world and still you rise  
And still you rise

Still you rise  
Still you rise
